Qualification Pools Preliminary round Final round Final standing References Baseball in Asia 2010 External links Asian Baseball Confederation Asian Category:International baseball competitions hosted by Thailand Category:2010 in Thai sportHepatopulmonary syndrome: a review of a rare syndrome. Hepatopulmonary syndrome, a frequent complication of liver disease, is a distinctive pathologic condition defined as hepatopulmonary vascular dilatation with shunting of deoxygenated blood from the systemic to the pulmonary circulation. Diagnosis is made with the use of Doppler ultrasonography or, more recently, with a pulmonary artery catheter, during right heart catheterization. Treatment options include liver transplantation, albumin replacement, oxygen
