Dave Weigel is a senior editor of Slate, and the author of books including The Case for Impeachment and It's Still Thursday. This interview has been edited and condensed. Jeffrey Goldberg: Let's start with North Korea. How is the United States doing on that front? Dave Weigel: What we've done is essentially made North Korea's ability to launch these missiles a public relations issue. So we've put missile launches in the spotlight by showing that they're having terrible
